Review of 2020 CPEA Results

The Ministry of Education is currently engaged in the process of reviewing the preliminary results of the 2020 Caribbean Primary Exit Assessment (CPEA) Examinations with assistance from the Caribbean Examinations Council.

The established policy guideline relating to these examinations provides an opportunity for students to query their grades. Investigations into reported discrepancies have revealed that the errors discovered relates to the internal component of the assessment that is locally generated. The Ministry of Education will continue to work in the interest of all stakeholders and regrets any inconvenience caused as a consequence of our due diligence exercise.
